Introducing, a natural alternartive!

With the release of Mineral Makeup by BABOR!

Mineral make up was originally developed for people with sensitive skin or skin that was prone to break outs and irritation BABOR's new line of Mineral Makeup looks amazing and is sure to be a hit this summer with all who desire that sexy summer glow. BABOR Mineral Makeup contains up to 99% pure minerals and have also created their own 'Kabuki brush' made of the highest quality goats hair. Also available will be the Age Conceal Foundation, reformulated to contain the Biogen Repair Complex II and with a handy concealer in the lid and applicator brush! The range doesn't end at foundation though, BABOR have also created a mineral eye shadow line containing 3 colours dark brown, anthracite & beige all containing 70% pure minerals, along with Mineral Makeup you can look forward to the Eyebrow Designer, designed to apply colour to the eyebrow without darkening the skin underneath.

The Latest Trend....Energising Oxygen

BABOR researchers have now succeeded in creating a completely new skin-care potion, in which oxygen has been captured to act as a concentrated elixir. The latest innovation in the Skinovage series is called Oxygen Energising Cream. It is a revitalising 24-hour cream, which regenerates stressed and tired skin. Every single skin cell is fed energy in the form of encapsulated oxygen, this is reflected in a radiant, fresh and rosy complexion. Skinovage Oxygen Energising Cream is applied by lightly massaging into the skin, in the morning and evening after cleansing. Now tired skin can breathe again... RRP \$112

Are you 30+ & concerned about aging!

Introducing BABOR HSR Platinum range, BABOR understood why they needed to design a new range that would not only care even better for their skin but also give them the piece of mind that they can continue to look amazing without the 'old' label. HSR Platinum is designed to cater to skin aged 30+, and fight's all the sign's of premature aging i.e. dryness, age spots, wrinkles, enlarged pores & redness. The range includes:

HSR PLATINUM CELL REACTIVATING CREAM \$260

A Luxurious 24-hour facial care with unique, comprehensive anti-aging effect which fights against all signs of skin aging. Youthful, radiant skin as a result of tiny micro-pigments.

HSR PLATINUM CELL REACTIVATING CREAM RICH \$285

Rich day- and night-time care for difficult and dry skin with low lipid levels. The innovative formulation is completely absorbed into the skin without forming a thick film on the skin.

HSR PLATINUM CELL REACTIVATING EYE CREAM \$166
